What the hell are you doing?!
OH!
If someone finds out that you're peeping instead of star watching, you'll be kicked out of the club.
What a cute girl!

CHAPTER 1 - THE DAY IT BEGAN!

KIDO, KARIN (城戸花梨)
- KARIN = QUINCE
- KIDO = CASTLE DOOR

CHAPTER 1 - THE DAY IT BEGAN!
WAH!

AND SHE'S...
I'M JUNPEI OOSAWA, A FIRST YEAR SENIOR HIGH SCHOOL STUDENT ENROLLED IN THE ASTRONOMY CLUB.
KARIN KIDO
A CHILDHOOD FRIEND WHO I'VE BEEN YEARNING FOR A LONG TIME.
What the hell!? Oosawa! Stop drowsing, and keep your bloody eyes on the textbook!
No god damn wonder you're always getting red marks!
SWISH
SLAM
POW
OUCH

OOSAWA, JUNPEI (大沢淳平)
- JUNPEI = SIMPLE, LEVEL/FLAT
- OOSAWA = BIG, MARSH

SWEEP
Uwah, awesome
Just absolutely perfect !!
Hehe
Sensei, is this correct?
CLATCH
Why can't you try to be a bit more like Kido here?!
THAT'S RIGHT. HIS EXISTANCE IS LIKE THE SUN
IN THE SENSE OF A HEAVENLY BODY HE'S A FIXED STAR. HE BRINGS ALONG OTHER PLANETS IN ORBIT AND EMITS A SPARKLING SHINE ALL BY HIMSELF.
HE'S ALSO THE TWO-EGGED TWIN OF THE CUTE KARIN-CHAN
NO MATTER HOW YOU COMPARE I'M JUST CIRCULATING AROUND THE SUN. I'M JUST A SINGLE SIMPLE PLANET. I HAVE NOTHING THAT STANDS OUT. I'M AN UNNOTICABLE EXISTANCE

KARIN-CHAN SHUUICHI THE CLASS REP AND I HAVE ALWAYS BEEN STUDYING TOGETHER SINCE WE WERE REALLY SMALL.
If you're not up to doing anything, then you can just as well quit.
The senior years aren't obligated, you know.
SHUUICHI, KIDO (修一城戸)
- KIDO = CASTLE DOOR
- SHUUICHI = DISCIPLINE/MASTER/ STUDY, ONE
Hey, Oosawa-kun.
Geh~
It's the class rep, Ichino Seaki.
They're laughing, and I bet Karin's laughing, too. Aah, Ge~z, I'm done for it.
Fuck! Shit, of everything possible, I had to happen in front of Karin-chan...
HAA HAH HA
HA HA HA
Aaaa!
I'll be sure to put aaaa!! my heart into studying, class repr-sama
HA HA HA
Ah!
I'm not gonna quit, not gonna quit
!!
CHANCE
SEAKI, ICHINO (瀬亜紀一之)
- SEAKI = TORRENT, RANK NEXT, CHRONICLE
- ICHINO = ONE. THIS/OF
— BOTH NAMES ARE IRREGULAR SPELLINGS

HA HA HA HA
AH HA HA
SHE ISN'T EVEN SMILING.
HA HA HA HA
Ah
But,
Sh- She's not laughing!
AH HA HA
clench
I GUESS SHE JUST DOESN'T...
...HAVE ANY INTEREST IN ME WHATSOEVER.

I guess that's it...
There's not a chance she'd be interested in an astronomy nerd-like guy like me
I guess the type of guy the girls want is...
Kyaa
Kyaa
Kyaa
Kyaaa
Sigh
The type like Shuuichi Kido.

ANYHOW I DID SCORE THE HIGHEST RESULT ON THE NATIONAL PRACTICE EXAM.
So awesome!
Nice shot, Kido-kuuuun!
KIDO
I'M ALSO NUMBER ONE WITH ALL THE TEACHERS AFTER A SINGLE LOOK.
Cheers!
For this school's leader!
Yup, yup
DASH
Huh?
I'M A CANDIDATE FOR THE JAPANESE YOUTH TEAM.

Karin, please. Could you tell us Shuuichi-kun's e-mail?
Eh? Karin?
Kido's not the only guy around here, ya know?!
Everyone's just so
Bah!
Ah! Karin!
Kyaa
Ah!
Hey! Where the hell are you aiming?!
BNDSCH
Well, could you at least give him this letter? Please?
Go ask him yourselves.
Eh?!
Ah!

Ah!
Watch ou--
SWOOSH
GOH!
KYAAA!
KASMAK

WRR
WRR
WRR
Are you okay, Oosawa-kun?!
Junpei!
AHAHAHA
Ah, he's all super
C'mere
SHRR
SHRR
Don't overdo it like that, you'll lose your points
I just wanted to save her, that's all
PEH
BLEH

I think you've got a shot at her saying "yes," since she doesnt have a boy-friend.
Then, I don't think she'll date you either.
Do some-thing like that.
I can't...
If you really like her that much, why don't you just tell her?
Huh?
Nope...
Do you know why she doesn't have one?
He's her sibling, so she sees her cool brother every day.
If you're to compare yourself to him, no one would be able to win.
I bet it's because her standards are just way too high.
Kido Shuuichi.

If you don't tell her, I will.
Eh?
Nothing'll get better with that half-assed determination!
Keh!
Yeah.
So basically you're saying that all the guys out there just ain't enough?
Keh!
Well, laters.
And also do some perverted things with her
I, too, would like a girl like Karin-chan as my girlfriend
GIRLFRIEND.
GIRLFRIEND.
SLURP

I better stop it with these futile delusions
.....
But ...
But ...
WHAT THE HELL AM I THINKING?
Wah!
BASH
Wah!
BASH
Eh?
Eh?
HMMMMM?
If I could just stay by karin-chan's side,
It wouldn't matter even if I died.
Whose voice was that?
It suddenly got into my ear
KOTON
tinkle

Found it!

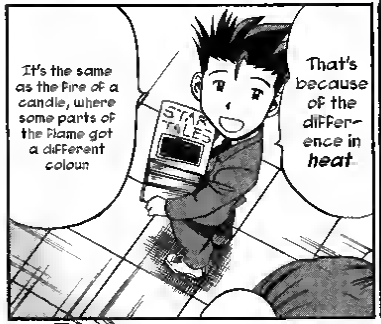
KABRAK
Fuck! Today's the worst day ever!
An unlucky day!
Could you please keep quiet?
Ah.
class rep.
It's a bother to everyone else
Such recklessness in the library...
As if I'm going to do you any service of being more gentle.
Demon!
Fiend!
SWOSCH..
Ah.
Are you okay?
KABLINK

Here.
Kaa-chan
STAR TALES
Th-thank you.
Nah... It's I who should be thankful for you saving me earlier.
N-Nah
You don't need to...
Have you found the Junpei-Star yet?
Eh?
Junpei-Star?
Don't tell me you've for-got-ten?
Back in primary school you boasted to your friends that you'd someday find your own star
YOUR OWN STAR? WHAT'S SO FUN LOOKING AT THE SKY?
I WANNA FIND A NEW STAR
TO FIND AND NAME IT MYSELF IS A DREAM OF MINE
Hmmm? SO, YOU'LE GOING TO CALL IT JUNPEI-STAR, OR SOME-THING?
YOU'VE GOT NO CHANCE IN HELL.
HA HA HA
Hahaha... ARE YOU STUPID OR SOMETHING?
Shaddap!

JIIIIIIN
Having a star with your own name floating around in space... I think that's rather romantic and cool
well, that's because...
Y-you remembered?
Then I think it's cool!
N-not at all!
No matter what it is, if it's enough to make someone ecstatic...
Eh?
Pretty geeky?
B-but isn't a guy who goes all ecstatic about a constellation...
But it sure was fun!
What a scary look the class rep. had on her face, don't you think?
HA HA HA...
STARTIMES
CHAKA CHANRIN CHANRIN
WOOPS.
Ah, My bad

Could I ask you something?
Eh?

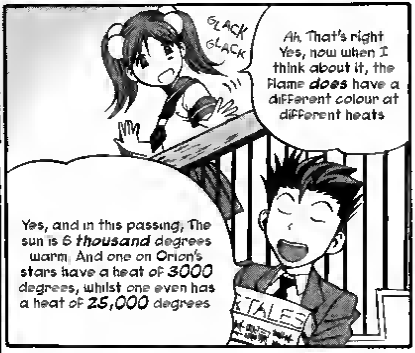
I think so, too.



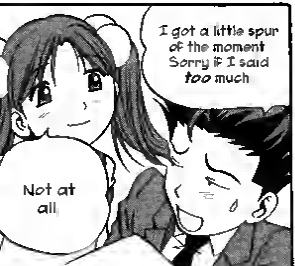
It's the same as the fire of a candle, where some parts of the flame got a different colour
That's because of the difference in heat

When watching the night sky, there must be heaps of stars with different colours, no?
Like yellow,
or red
Why's that?

NERDNESS EXPOSED
AH!
tok



CLACK CLACK
Ah. That's right Yes, now when I think about it, the flame does have a different colour at different heats
Yes, and in this passing, The sun is 6 thousand degrees warm. And one on Orion's stars have a heat of 3000 degrees, whilst one even has a heat of 25,000 degrees
STARS



I got a little spur of the moment Sorry if I said too much
Not at all

Just once...
I'd like to go to the Planetarium... Would you like to go with me?
Ah... Of course, no problem
Eh?!
I want to know more
Uhm...
Really? Then, want to go today?
Right now?
Ah...
I'm... Fine with it
Ehm...
STAR TALES
No, no, not at all! I can go anytime.
Great
Or is it an inconvenience?

Could this be...
Then, Pii--

My breasts are way bigger
It's she who seduced me!
Ah... No, this is...!
Crap!
H-How long've you been standing there, rep.?!
But, you're the one who lost to temptation
So you've been peeping into Karin-chan's room every day for the whole year?
Eh?

How-
How can you know that?!
If it's about you, I know everything that's going on.
Shuuichi Kido got pretty flared-up when he heard about it, too
EH?
He's waiting outside
It'd be to your benefit if you went
SHUUICHI KIDO CAUGHT ME TOO?!
"my benefit," you say
Here, go ahead and peep a bit more
See?
